## DEPARTMENT OF CHEMISTRY

### DRUG ABUSE AWARENESS PROGRAM

Title	Drug Abuse Awareness Programme
Date of the Event	29-10-2021
Type of Activity	Extension
Department/Association/Cell/Committee	Chemistry Department
Venue	GOVERNMENT DEGREE COLLEGE, MANDAPETA
Number of Participants	12
Target Audience	All Early adolescence who are in critical- risk period initiation of substance use and that substance use may peak among young people aged 18-25 years
Resource Person(s)	Dr. T.K.V.Srinivasa Rao, principal, GDC MANDAPETA
Event Coordinator	S.RAMAKRISHNA Lecturer in Chemistry

#### Objectives:

- ✦ To educate them about to determine behaviours that increase well-being and allow people to achieve life goals
- ✦ To ensure that people understand about various drugs.
- ✦ To identify risk factors and protective factors associated with substance abuse (drug and alcohol)
- ✦ Developing programs for preventive education to control the incidence and spread information about the ill-effects of substance and alcohol abuse
- ✦ Educate parents or other care givers, teachers, coaches, clergy, health professionals, and community leaders to help youth reject illegal drugs and underage alcohol and tobacco use.
- ✦ Pursue a vigorous advertising and public communications program dealing with the dangers of illegal drugs, including alcohol and tobacco use by youth.
- ✦ Promote zero tolerance policies for youth regarding the use of illegal drugs, alcohol, and tobacco within the family, school, work place, and community.

## PROMOTE SUSTAINABLE TRANSPORTATION, ENVIRONMENTAL AWARENESS

Title	Promote Sustainable Transportation, Environmental Awareness
Date of Event(s)	17/Nov/2021
Type of Activity	Outreach
Department/Association/Cell/Committee	Physical Education Department
Venue	Government Degree College, Mandapeta
Number of Participants	30
Target Audience	College Students
Resource Person(s)	-
Event Coordinator	N. Veeranjanyulu

### Objectives:

- ✚ Promote sustainable transportation: Encourage the use of bicycles as a mode of transportation, reducing reliance on fossil fuels and mitigating climate change.
- ✚ Improve physical health: Highlight the benefits of cycling for physical and mental well-being, such as reducing stress and improving cardiovascular health.
- ✚ Enhance road safety: Raise awareness about the importance of road safety for cyclists and promote measures to protect them.
- ✚ Foster social connections: Encourage cycling as a means to build community and promote social connections.
- ✚ Support sustainable urban planning: Advocate for bike-friendly infrastructure and urban planning that prioritizes sustainability and environmental stewardship..

### Report:

Physical education department had promote sustainable transportation, environmental awareness. At first we started with giving some information about importance of environmental,. Event co-ordinators was N.Veeranjanyulu. This event took place Government degree college, which is situated in Mandapeta. It commenced at 11.00AM and it was over by 12.00PM. There were nearly 30 students who took part in the event.

### Learning Outcomes:

- ✦ Understand the environmental benefits of cycling, such as reduced carbon emissions and air pollution.
- ✦ Recognize the physical and mental health benefits of regular cycling, including improved cardiovascular health and reduced stress.
- ✦ Learn about road safety measures and best practices for cyclists, such as wearing safety gear and following traffic rules.
- ✦ Appreciate the social benefits of cycling, including building community and promoting social connections.
- ✦ Understand the importance of sustainable urban planning and the role of cycling infrastructure in creating livable cities. Career options after 10<sup>th</sup> standard

## AIDS AWARENESS PROGRAM ON 01-12-2021

Title	AIDS PREVENTION DAY 2021
Date of Event(s)	01-12-2021
Type of Activity	Extension & Outreach Program
Department/Association/Cell/Committee	Department of Zoology Collaborations with Red Ribbon Club
Venue	Government Degree College Mandapeta
Number of Participants	106
Target Audience	All the Students and General Public
Resource Person(s)	A. Ananda Rao Lecturer in Zoology Mandapeta
Event Coordinator	Sri A. Ananda Rao

### Objectives:

- ✦ Educate the public about HIV/AIDS, its transmission, prevention, and treatment. This includes dispelling myths and reducing stigma associated with the disease..
- ✦ Encouraging practices such as the use of condoms, safe sex practices, and harm reduction strategies for people who inject drugs. Providing access to resources and support for adopting these practices is crucial.
- ✦ Encourage individuals to get tested for HIV and to seek treatment if needed. Highlight the importance of early diagnosis and access to antiretroviral therapy (ART).
- ✦ Offering support and resources for individuals living with HIV/AIDS, including medical care, psychological support, and assistance with daily living. Reducing stigma and discrimination is also a key focus.

Honor and remember those who have died from AIDS-related illnesses through memorial services, storytelling, and other commemorative activities.

## DEPARTMENT OF CHEMISTRY

### POLLUTION PREVENTION AWARENESS PROGRAM

Title	<del>POLLUTION PREVENTION</del> awareness program
Date of the Event	02-12-2021
Type of Activity	Extension
Department/Association/Cell/Committee	Chemistry Department
Venue	Maredubaka(village), Mandapeta.
Number of Participants	22
Target Audience	To give the world a break from fossil and to rise Awareness about the harm caused by carbon emissions
Resource Person(s)	Dr. T.K.V.Srinivasa Rao, principal, GDC MANDAPETA
Event Coordinator	K.BABURAO Lecturer in Chemistry

#### Objectives:

- ✚ Reduce the amount and toxicity of waste generated.
- ✚ Promote the use of sustainable and eco-friendly materials and processes.
- ✚ Conserve natural resources by improving efficiency and reducing consumption.
- ✚ Replace hazardous materials with safer alternatives.
- ✚ Encourage designing products that have a minimal environmental impact, are recyclable, or biodegradable.
- ✚ Improve energy efficiency in processes and operations.
- ✚ Minimize waste through better inventory management, production scheduling, and process optimization.
- ✚ Ensure adherence to environmental laws and regulations to prevent pollution.

By focusing on these objectives, organizations and individuals can contribute to a healthier environment, reduce costs, and enhance sustainability.

## **POLLUTION PREVENTION AWARENESS OUTCOMES:**

Pollution prevention awareness programs can have a range of positive outcomes, including:

### **1.Reduced Environmental Impact:**

- Decreased pollution levels in air, water, and soil.
- Improved local biodiversity and ecosystem health.
- Lower greenhouse gas emissions, contributing to climate change mitigation.

### **2.Public Health Benefits:**

- Reduced incidence of diseases and health conditions caused by pollution (e.g., respiratory issues, cardiovascular diseases).
- Cleaner drinking water and safer food supplies.

### **3.Economic Savings:**

- Lower costs for businesses through waste reduction and efficient resource use.
- Reduced public expenditure on healthcare and environmental cleanup.
- Creation of green jobs and promotion of sustainable industries.

### **4.Behavioral Changes:**

- Increased public awareness and understanding of pollution issues.
- Adoption of eco-friendly practices by individuals, such as recycling, reducing waste, and conserving energy.
- Greater community involvement in local environmental initiatives.

### **5.Regulatory and Policy Support:**

- Enhanced support for environmental regulations and policies.
- Increased funding for pollution prevention programs and research.
- Better enforcement of existing environmental laws.

### **6.Educational Benefits:**

- Integration of environmental education into school curriculums.
- Increased participation in environmental science and engineering fields.
- Empowerment of communities with knowledge and skills to address pollution.

### **7.Corporate Responsibility:**

- Greater commitment from businesses to implement sustainable practices.
- Development of corporate social responsibility (CSR) initiatives focusing on pollution prevention.
- Innovation in green technologies and sustainable product design.

These outcomes contribute to a healthier environment, a more informed and engaged public, and a sustainable economy

## POLLUTION PREVENTION AWARENESS PROGRAM REPORT

On 02-12-2021, Pollution Prevention awareness program was conducted at Government Degree College under the guidance of Dr.K.Srinivasa Rao, Lecturer in-charge in chemistry and the staff of Chemistry department at 10.30am.

Pollution prevention is an essential aspect of environmental management that focuses on reducing or eliminating the production of pollutants at the source rather than managing them after they have been created.

### Pollution Prevention Strategies

- Techniques and practices aimed at reducing the amount of pollution produced.
- Changes in production processes to reduce waste., Using less hazardous materials., Best practices for minimizing waste.
- Methods for reclaiming and reusing materials to prevent pollution.
- Strategies for reducing energy consumption and associated emissions.
- Practices to reduce water use and pollution.

Dr. T.K.V.Srinivasa Rao principal GDC, Mandapeta, Encouraging stakeholders to take immediate steps towards pollution prevention

We would like to extend our heartfelt gratitude to all the dignitaries for their efforts in bringing awareness amongst us and for their valuable information. We would also like to thank our principal Dr. T.K.V. Srinivasa Rao, vice Principal Sri A. Ananada Rao for their constant support and guidance.

### **AWARENESS PROGRAM HEALTH AND HYGIENE**

Title	Health and Hygiene
Date of Event(s)	05/Dec/2021
Type of Activity	extension
Department/Association/Cell/Committee	Physical education department
Venue	Government degree college, mandapeta
Number of Participants	50
Target Audience	College students
Resource Person(s)	N. Veeranjanyulu
Event Coordinator	N. Veeranjanyulu

#### **Objectives:**

- ✚ To educate participants on the importance of health and hygiene practices for overall well-being.
- ✚ To equip participants with knowledge and skills to maintain personal and environmental hygiene.
- ✚ To promote healthy habits and behaviors for disease prevention and management.
- ✚ To raise awareness about common health issues and their prevention through hygiene practices.
- ✚ To encourage participants to adopt healthy lifestyle choices and habits.:

Physical education department had promote health and hygiene awareness. At first we started with giving some information about importance of health and hygiene . Event co-ordinators was N.Veeranjanyulu. This event took place Government degree college,which is situated in Mandapeta. It commenced at 11.00AM and it was over by 12.00PM.There were nearly 50 students who took part in the event.

#### **Learning Outcomes:**

1. Understanding of the importance of hand hygiene, sanitation, and proper waste disposal.
2. Knowledge of proper personal hygiene practices (e.g., bathing, oral hygiene, grooming).
3. Familiarity with healthy habits (e.g., balanced diet, regular exercise, adequate sleep).

4. Ability to identify and prevent the spread of common illnesses (e.g., influenza, diarrhea).
5. Understanding of proper food handling, storage, and preparation techniques.
6. Awareness of mental health and stress management techniques.
7. Knowledge of basic first aid and emergency response procedures.
8. Ability to create a healthy and hygienic environment (e.g., home, workplace, community).
9. Understanding of the impact of hygiene on overall health and well-being.
10. Commitment to adopting healthy habits and hygiene practices in daily life.

## NATIONAL CONSUMERS DAY PROGRAM

Title	National consumers day Programme
Date of Event(s)	24-12-2021
Type of Activity	Extension
Department/Association/Cell/Committee	Department of Commerce
Venue	Government Degree College
Number of Participants	102
Target Audience	The day is celebrated with an aim to spread awareness on consumer's rights
Resource Person(s)	S. ADHI NARAYANA MURTHY (MANDAPETA - ADVOCATE)
Event Coordinator	Dr. J. Nehru Naik

### Objectives:

- ✦ Every Year 24th December is observed as National Consumer Day with a specific theme in India. On this day the Consumer Protection Act, 1986 had received the assent of the president. The enactment of this Act is considered as a historic milestone in the consumer movement in the country.
- ✦ This day provides an opportunity for individuals to highlight the importance of the consumer movement and the need to make every consumer more aware of their rights and responsibilities.
- ✦ To promote and protect the rights of Consumer such as Right to be protected against the marketing of goods and services which are hazardous to life and property.
- ✦ be informed about the quality, quantity, potency, purity, standard and price of goods or services, as the case may be so as to protect the consumer against unfair trade practices.
- ✦ be assured, wherever possible, access to a variety of goods and services at competitive prices.
- ✦ be heard and to be assured that consumer's interest will receive due consideration at appropriate forums.
- ✦ seek redressal against unfair trade practices or restrictive trade practices or unscrupulous exploitation of consumers.

## NATIONAL CONSUMERS DAY PROGRAM REPORT

On 24-12-2021 National consumers day programme was conducted at Government Degree College under the guidance of Dr. J. Nehru Naik, NSS programme officer and the staff of Commerce department at 10.30am.

National consumers day programme is conducted in order to make people aware of their consumers rights, right to choose their own representatives and to fight against the malpractices that take place during elections. The NSS volunteers took active participation in the programme.

The chief guest of the event was S. ADHI NARAYANA MURTHY who is Advocate, Mandapeta, The other dignitaries were Dr. T.K.V. Srinivasa Rao, Principal and Sri A. Ananda Rao vice principal of Government Degree College, Mandapeta.

The dignitaries conducted sessions about election procedure and also explained about the importance of consumers right. The sessions were very useful to everyone present during the time as they became aware of their consumers rights. Also Dr. T.K.V. Srinivasa Rao gave away the oath to the gathering regarding the fulfillment of the duties of voter. Even a demonstration was conducted for fresh voters of how to operate electoral voting machine.

We would like to extend our heartfelt gratitude to all the dignitaries for their efforts in bringing awareness amongst us and for their valuable information. We would also like to thank our principal Dr. T.K.V. Srinivasa Rao, vice principal Sri A. Ananada Rao for their constant support and guidance.
